**About Us**

The Parkinson Council is committed to supporting anyone impacted by Parkinson's disease in the Delaware Valley. The resources we provide through our regional fundraising efforts allow us to make direct investments in local partner organizations to support research, education, treatment, and services.

**What You Helped Us Do...**

- Improve access to physical therapy, social supports and education for people with Parkinson's and their care-partners.
- Advance innovative Parkinson's research and treatment therapies from world renowned local institutions.
- Provide comprehensive and integrated approaches to quality of life services, including home visits, exercise programs and support groups.
